

Host Family Identification Requirement

VERY IMPORTANT:

Working with your parents, identify three (3) families in the same school district who **agree in writing** to host a student (use the form on the next page). It is not acceptable to have someone fill out the form to “help” you, if they have no intention of hosting. Those who sign the form will be expected to host. **Your application is incomplete--and will not be considered--if you fail to include this completed form.**

Rotary will contact the families on your list to ascertain their willingness to host and if they meet initial qualifications. If initial qualifications are met, then criminal background checks, reference checks, and a home inspection and interview with photographs will be conducted, along with mandatory training and orientation for all family members, prior to the exchange student's arrival in the family's home. All host families receive extensive assistance and support from the Rotary District 5730 Youth Exchange Committee and the student's Rotary Counselor.

We recommend that you and any potential host families view this video:

Please call or contact Rotary District 5730 Youth Exchange Officer SarahLee Morris at (806) 441-1346 or sarahlee@rye5730.org if you have any questions.

Student Name _____

District 5730 List of 3 Potential Host Families

This information is due as a part of your application and is not optional.

Please list 3 families from your school district who **agree in writing** to host a student. (**This is a firm commitment not to be taken lightly**). The District 5730 Rotary Youth Exchange Committee members will interview the families to make sure they qualify. List three host families, giving full contact information and school district that you have found for a student coming to your town.
